## Reading Schemes

We use a variety of books for reading in school. All the books are graded into levels marked by a colour. The children therefore know which colour level they are reading and can choose books from that range to read at home and at school. We have a scheme where parents and members of our local community can come into school to listen to children read. All these readers are CRB checked. Children can also choose books from the Library. We exchange 100 books twice a year with the Northamptonshire Library Service to ensure we have a variety of books on offer.

Our main reading Schemes for KS1 are:      Oxford Reading Tree  
   Rigby Star for guided reading

## Phonics

Read Write Inc. is used for phonics teaching for all children.

## Mathematics

We have introduced Abacus Mathematics for all age groups in the school this year.
