

Moving to Syresham in 2006, both my boys have attended Syresham Preschool (or Playgroup as it was then) and then Syresham St James School. My eldest loved his time at the school and was sad to leave when it was time to make the move up to Secondary school, my youngest is still at the school and although moans about going to school, he wouldn't want to go anywhere else!

Whilst they have been growing up, I have held voluntary committee positions at Preschool (both Treasurer and Chairperson) and then several years as Chairperson of the Friends of Syresham School. Working as a childminder since 2009, has also given me a thorough understanding of the requirements of Early Years settings.

Since beginning work as a Bursar in one of the village schools within the Brackley Area Learning Partnership (BALP), I felt that I could contribute to Syresham School by taking on a role as a Governor. My knowledge of school finance (including pupil premium, PE Grants, funding etc) along with a previous career as a Health and Safety Advisor and my work as a childminder allows me to support, question and assist the school in many areas.
