

Sallie Connery

I have lived here in the parish of Syresham all my life, Syresham St James Primary School being my 1st school where I spent many happy days. Finding myself back here working as an LSA (Learning Support Assistant), although I have now retired from this school job, I continue to be active in the school as a Foundation Governor. I am the Chair of the Health Safety & Premises Committee, supported by a good group of Governors, we aim to make the school a safe working environment for both pupils and staff.

I also run an after school gardening club with the help of Cathy Gray, helping the children understand the importance of growing their own food & flowers.
