Dear Parents,

MUSICAL INSTRUMENT TUITION

We are pleased to be able to offer our pupils the chance to learn to play a musical instrument in school and have specialist teachers for strings, brass, woodwind and guitar coming into school each week. A charge is made for these lessons as they are extra-curricular but we try to keep the cost as low as possible.

We have been unable to avoid an increase in the fees charged for individual instrument tuition. The first increase was in September 20017 and we will again have to increase the fees from September 2018.

From September 2018, the charge for instrument tuition will rise to £82.50 per term (£7.50 per lesson). This charge is still very competitive with private tuition fees.

As your child currently receives instrument tuition we need to know if you wish to continue with these at the increased cost. Please let us know as soon as possible if your child wants to continue with instrument tuition next year. Thank you

With regards,

Headteacher
