

I really cannot believe that we have only one more week left of this half term, the time is as always flying by!

With illness still rife in school we unfortunately had to cancel Year 3 and 4's class assembly this week. However, fear not they will be raring to go next Wednesday at 9am, please join us if you can.

The staff and I have been busy planning for our curriculum evening next Tuesday. As a quick recap we will be starting the evening in the hall where the Dolce cooks will be providing samples of their school meals for you to try. The curriculum evening will begin with a look at learning across the school before we split into two groups, one with a Maths focus and the other an English focus. We will be covering a variety of topics from key skills, the four calculations, using apparatus, supporting reading and word puzzles to name a few. There will be opportunities for you to ask questions and I am hoping that we can also share resources and apps that we all use to support our children in their learning. If you have not yet done so, please can you sign the register at the front of school to give us an idea on numbers. Thank you.

I picked up 50 Saints tickets this week for the match against Sale on Saturday the 16th February. We have 20 families joining together for the match with 26 children helping me to collect the signed shirt at half time. I am really pleased that so many of you will be joining me and the Clough gang, it will be a great afternoon! If you have bought tickets, please come and see me next week to pick them up!

A note from The Friends:

Following the phenomenal success of the Syresham School DIY SOS in March 2018, where, thanks to the hard work and determination of parents, teachers and members of the local community, we were able to totally transform our school grounds. We would very much like to make this an annual event (although perhaps not on quite such an epic scale!). Last year's event really did highlight how much can be achieved in a relatively small amount of time with enough willing hands, enthusiasm and bodies behind it. An annual tidy up of the school grounds to prepare for the summer months, so that we can fully utilise our outdoor areas, really does make a significant difference to the children's learning and overall experience in school. In addition to a general clear up we would love to create a new "tranquility garden", a quiet place where children of all ages can go to reflect in a calm peaceful environment. As ever, we simply will not be able to achieve all this without your help! Next week a form will be going out for you to pledge your support. Please do join us (even if it's just for an hour or two) at the SYRESHAM SCHOOL BIG SPRING TIDY UP, [Saturday 23rd March 2019 9.30am - 4.30pm](#).

For further information please contact Caroline Ferguson on [07718976221](tel:07718976221) email caroline.ferguson280@gmail.com or via our Facebook page [@thefriendsofsyreshamschool](#)

Friends Dates for the Diary...

Ladies Fizz & Quiz Night ... [Friday 1st March](#) - Village Hall [7.30pm](#)
Syresham School Disco... [Friday 8th March](#) - School Hall 5.30-7pm
Springtime Tidy Up ... [Saturday 23rd March](#) - School [9.30-4.30pm](#)
Easter Egg Hunt ... [Friday 19th April](#) - Pocket Park [10.30-12.30](#)

There is "Messy Church" this Sunday 10th February at Syresham St James Church. This service is aimed at families with young children. Please come along for an enjoyable, creative hour from 3:30pm.

Have a good weekend and for those of you who have predicted the Six Nations results the best of luck to you all!

Mrs Clough
