

IN THE PAST 12 MONTHS WITH YOUR HELP...  
**WE HAVE  
RAISED OVER 10K**

So where does all this lovely cash actually go?

### Virtual Reality Day

**£402**

With money from the Friends the whole school was able to take part in an amazing virtual reality trip ... taking a voyage on the Titanic, fighting in a Viking Battle or an under water adventure

### Outdoor Classroom

**£1479**

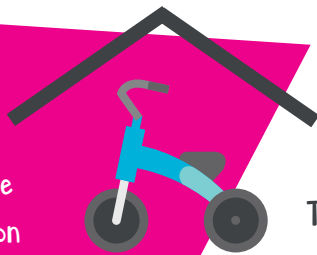

With these funds together with help from parents & the local community we were able to create a brand new outdoor classroom.

### TRIKE SHED

**£1519**

Because of the new Trike Shed the Nursery, Reception and KS1 ride on equipment can now be more easily & regularly accessed for use in the playground.

### IT Equipment

**£1902**

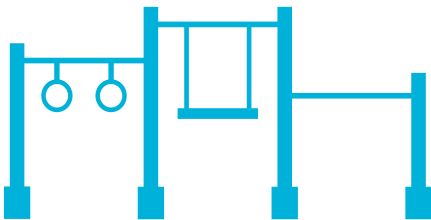

The Friends continue to assist in the purchase of IT equipment ensuring the children always have access to the latest & inspirational technology.

### Timbertrail

**£3000**

The Friends helped to fund the reinstallation and upgrade of the much loved Timbertrail

### Reflection Garden

**£850**

Together with funds donated by the Church we were able to create a new reflection garden complete with Zen water-feature!

### Outdoor Learning Area

**£3485**

With this money school were able to realise their ambitious plans for a fabulous new outdoor learning area for the Nursery, Reception and KS1 children

Oh la la!

### French Lessons

**£1900**

The Friends have been funding French lessons for all the children at Syresham School including Nursery since 2016.
