

Welcome back to our final term of this academic year and to year 6 pupils' last term at Syresham School. This is the term that becomes crazily busy but is so much fun!

This week Miss Nikel led the new Reception parents' evening, where we welcomed new families to the school as well as welcoming some familiar faces who are already members of our school community. We are really excited that the nursery children have been coming in to visit the school more regularly this month as they begin to settle into school life.

On Thursday afternoon the netball team went to Sponne Schol to take part in the School Games Netball World Cup. The children played against many different schools from Northamptonshire, in some very close and difficult matches. The children all played well and should be proud of their performance in the tournament. During the afternoon they were lucky enough to have their photographs taken with the Netball World Cup trophy, that we were told was very expensive and we were not to touch! We had a very enjoyable afternoon at Sponne, their leaders were great with our children, helping them to warm up and supporting them in matches.

The year 5 and 6 pupils auditioned this week and have now been cast for the summer production. The children are now beginning to learn their lines and songs for the show, it promises to be a performance to remember!

A request has been sent home today to help me with a project for next year. I am hoping to create a 'Syresham Passport' that maps out some key memorable learning opportunities for the children across the school at different stages of their lives. I have sent home a table which I am hoping you can complete with your child with any activities or ideas that children should experience in different year groups. I will use the ideas to create a passport to begin in September (please see letter sent home today).

The Friends have asked if parents could kindly respond to the questionnaire by Friday. Spare copies can be found at the front desk. There are also tickets left for the Summer Ball, so get the baby sitters booked and see Paula to buy some. Thank you!

This week I have received communication form our new local PCOS. His name is Kev Thompson and will be coming into school soon to meet the children. I have attached more information on the website.

Have a good weekend, see you on Monday!

Headteacher Awards	In the Spotlight
Reception : Amelia Year 1&2 : George, Abigail, Callum & Charlie Year 3&4 : Lucas Emilia & Tilly-Ann Year 5&6 : Joseph and Ethan Presentation : Jessica	<p style="text-align: center;">Luca</p> <p><i>If you could have tea with a famous person, alive or in history, who would it be?</i> <i>The Queen</i></p> <p><i>What would you ask them?</i> What is it like being the Queen? What would you do if you weren't the Queen?</p> <p><i>If you were an animal, what would you be?</i> <i>A ginger kitten</i></p> <p><i>If you could change one thing in the World to make it a better place, what would it be?</i> <i>Global warming!</i></p>
